Writing

Dear Joe,  
 Thank you for answering so quick. How are you? I'm pretty good.  
 I've read your e-mail and saw you asking me to tell you about the show. I saw it on TV one evening and started watching. At first I didn't like it, but after a few series I became fond of it! I love the main character, he's so intelligent and funny at once! And his best friend deserves attention too, he's so brave! There are only two seasons for now, but I've watched an interview of the actors today and they said they are filming a new one! It's going to be ten series one hour each and the actors told the interviewers that there are going to be some new characters! Also they said they'll film not less than five seasons, can you imagine: five seasons ten series each! It'll be wonderful!

With love,  
 N

**The Life of Queen Elizabeth II**

1.  D

Queen Elizabeth II was born Princess Elizabeth Alexandra Mary Windsor on 21<sup>st</sup> April 1926. Her parents were Prince Albert, Duke of York and Elizabeth Bowes-Lyon, The Duchess of York. When she was born, Princess Elizabeth was not likely to ascend to the throne. She was third in line to the throne but it was presumed that King Edward VIII would marry and that his first child would become the heir. However, a twist in fate caused Princess Elizabeth to become next in line to the throne in December 1936 when her uncle abdicated. King Edward VIII stood down and the crown passed to his brother. Princess Elizabeth's father became King George VI and she was next in line to the throne.

2.  C

When King Edward VIII stepped down, the Princess's life changed dramatically. She was no longer simply a member of the Royal Family: she was the heir to the throne. Princess Elizabeth went by the nickname Lilibet and had enjoyed a relatively carefree childhood up until this point. She had all the privileges of a princess without the impending pressures of being heir to the throne. Along with her sister, Princess Margaret, Princess Elizabeth was educated by a team of private tutors. The Princesses were schooled in mathematics, French, music and religion - with Princess Elizabeth also receiving lessons in British history and law.

3.  E

Princess Elizabeth first met Prince Philip in 1934. On 9<sup>th</sup> July 1947, their engagement was officially announced and their wedding took place at Westminster

Abbey on 20th November 1947. Throughout their long marriage, the royal couple had a large family of four children, eight grandchildren and 12 great-grandchildren. The Royal Family includes: King Charles III, his son (Prince William) and his grandson (Prince George), who make up the current direct line of succession.

4. A

On 6th February 1952, King George VI died. From this point forward, Princess Elizabeth became Queen Elizabeth II, taking on the role and its responsibilities immediately. Her official coronation ceremony took place at Westminster Abbey on 2nd June 1953. The entire ceremony was broadcast on radio and on television: a breakthrough for television as it was still relatively new technology.

More than 20 million people watched the historical moment, outnumbering the radio audience for the first time.

5. B

Throughout her time on the throne, Queen Elizabeth II was praised by many for her calm and peaceful manner. Queen Elizabeth II met weekly with the prime minister of the UK and reigned over 15 different leaders, including Winston Churchill. Aside from her duties, Queen Elizabeth II enjoyed many hobbies and outdoor pursuits, having a particular fondness for horse racing and tending to her beloved corgis. Sadly, Queen Elizabeth II died on 8th September 2022, at the age of 96. She has been succeeded by her son, Charles. She will be long remembered across the world for her extraordinary reign as well as her sense of duty and unwavering devotion to the people of the UK and the Commonwealth countries.
